Mr. Z. G. Sprott and family have moved from Manning back to their old home at Greenwood. Mr. Sprott is a splendid citizen and Manning does not elish the thought of having to give him up, but he decided to retire from the contracting business and will give his future attention to his farm.

Mr. M. M. Krasnoff leaves for the north next Sunday to finish buying his stock for the coming season. There is not a day that does not bring to his store new shipments, notwithstanding this he goes to market to personally make further selections. Krasnoff is always on the job, as his increasing business shows.

Postmaster Capers of Summerton, committeeman for Clarendon county, desires all of the Postmasters of this The work of picking cotton in this county to attend the meeting of the Brogdon, dismiss from your mind there county will begin in about two weeks. South Carolina Postmasters Association, which meets at Glenn Springs Mr. F. B. Moffett leaves tomorrow for August 10 and 11. He hopes to meet all of the Postmasters at this meeting, and says he is satisfied they will be greatly benefited by it. For information as to railroad rates, etc., write to J. Leapheart, President of the Mr. D. Hirschmann returned last S. C. P. M. Association Lexington.

crops are going back, one asked the nails and other things in the road and writer to make the statement in the paper so that it will have its effect upon nent business man told us that he too, per so that it will nave its effect upon the business the price. He claims that every time a has seen children putting obstructions has seen children putting obstructions about there is to be a in the road for mischief. Surely no one newspaper tells about there is to be a in the road for mischief. Surely no one Judge.

By James M. Windham, Esq., Probate Judge. hewspaper tens about there is to be a fin the road for mischiel. Safety no one big crop the price of cotton goes down and he thinks the crop condition should be a secret. This man does not realize far as the Brogdon incident is concerning to responsible for this conduct, and so be a secret. This man does not realize far as the Brogdon incident is concerning to the control of the secret of the control of the secret of the control of the c that the parties interested in the crop, ed, we desire to say that when it occurliving in London and New York, know ed the remark was made that "it would more about the crop conditions than the | not be well for the chaps to let the Brogcrop makers.

The Judge of Probate had an interesting hearing before him vesterday in the matter of proving in solemn form the last will and testament of the late Mrs. E. M. Briggs of Summerton. The Mr. Allen Sauls left last Monday for Wateree, where he has accepted a locate the recommendation. The testimony was conflicting, and the court took a recess to view the residence to tatrix is said to have seen the witnesses Miss Tasca Turbeville left yesterday when the will was signed by them. The of speaker. for Turbeville, where she will spend question involved as we understand, is whether or not the will was lawfully executed, the testimony showing that Dr. G. L. Dickson and family left Mrs. Briggssigned the will, was immed-Friday morning for a couple of weeks lately taken ill, and the witnesses had iately taken ill, and the witnesses had to retire from the room before affixing their signatures, they signed in a nearby room. It is for the court to decide by room. It is for the court to decide o'clock A. M.—J. L. Barrow, J. R. Bar-

Not a Money-Making Scheme.

The Manning Warehouse Co. held its annual meeting last Friday in the court house with a good attendance. Charlton DuRant, Esq., presided and Mr. F. L. Wolfe made the secretary's Our thanks are due Messrs. R. H. report, which showed, besides the Davis and J. B. Bagnal for lucious mortgage debt of \$1200, an additional indebtedness of about \$200. No monies were carried over to the surplus account and no dividends were declared. This warehouse was not built with a view to making money. Of course, profits are not undesirable, but the main reason for the institution was to protect the farmers when the price of cotton got too low for market, they would have a place to store their cotton and be able to borrow from the banks. The old officers were re-elected without opposition. The following is

The same is true within the time they show a disposition to want the It will pay to attend this institute, as stated of an auto party from Columbia, there will be many things of advantage | S. C., whose cars became hors de combat near my home.

Less than a year ago I entertained five gentlemen whose cars gave out on feeble assistance, but generous hospit polite demeanor apparently deeply appreciated my gratuitous bread and boarding. My son, Mr. J. E. Brogdon, of Montgomery, Ala., owns an automoschool house at Workman on August bile, so does my younger son, Mr. Julius 10th, and a dance in the evening. The L. Brogdon, who resides with me at my home, my neighbors own automobiles of a "Dues Paying Social." Very little and so does my brother and my two regular business will be done, the time munity in which I live. In the light of this information, Mr. Editor, do you for one moment conscientiously believe that A party desiring a home on Brooks street at a moderate price may confer family would wilfully and intentionally family would wilfully and intentionally place pails in the public highway or such as desire to buy need ask as the party in charge of the property would have to be communicated with five visits and the patients in the patient nighway or road "for the purpose of injuring automobiles?" To those disinterested it is quite apparent. Mr. Editor, that your implications and insinuations are totally ago will be with us again. These two A rumor has reached Manning that myself, my family and the good citizenthat there is a treat in store for all who on the day of the Olanta picnic a white ship of this community, I request that attend the convention.

> Respectfully JOHN I. BROGDON.

The above proves how easily a misthat should occur in their neighborhood. has a people for whom the writer has a higher regard, and it grieves us to know that the comments made by us with regard to the two accidents which befell the party of which we happened to be one, should have been construed by Mr. Brogdon as his letter indicates. What he says about his community's hospitality we most heartily endorse, there is no higher citizenship anywhere, but if some boy on mischief bent, puts nails in the road to catch automobiles, it would be foolish indeed to hold the people of the community responsible for it. We know too, that if Mr. Brogdon or any of his neighbors could see any one engaged such an impression upon them that they would not forget it soon. No, no, Mr.

for one moment entertained the thought that we intended to so imply. We cannot say positively the nails were placed in the road intentionally, but on examination it had such an appearance, and too, one of the colored men who kindly helped us to get off, Some of the farmers claim that the told us that he has seen children putting
